

# 2011 Summer Program

(We provide student pickup from school to our summer camps)

626-359-2000 | www.topkids.com

It is summer time again. This summer, Topkids will offer many camps that are designed to explore your child's talents, unleash your child's potential, and prepare your child for a great start in the upcoming school year.

Seats are very limited for each program. So enroll your child early. For class details, please check our website at [www.topkids.com](http://www.topkids.com).
