

HIGH SCHOOL ESSAY WRITING

The Level 1 and Level 2 class will explore the essay writing process from the pre-writing stage to the revision stage. Students will work weekly practicing and mastering each step of the writing process before moving onto the next step. This course will prepare students for writing essays for school assignments.

The Level 3 class is designed for students who want to strengthen their essay writing skills so that they can achieve higher SAT scores. The students work on budgeting their time, developing a strong thesis, using solid examples, and editing their writing all within the limited amount of time they are given during the actual SAT exam. In this course, students have the chance to write essays while being timed just as if they were taking the real test. The teacher works with the students to give them the tools to earn a score of a perfect 6. In addition, the students will also work on their college admission essay in the class.
